Once again, thank you ladies for taking on a position and allowing us to get up and running. Please support the new Committee and think about volunteering in the tuckshop or assisting with fundraising efforts. Once again, I would really like to thank Kym Cleary, Trinette Murphy and Jess Mollenhagen for the professional way that they have ran the P&C over the past few years. ## School Wide Positive Behaviour

As part of behaviour management policy at Mt Perry, students receive a certificate if they achieve 'Star' or a certificate and star badge if they achieve 'Super Star' status. Previously, a letter went home to parents to let them know if their child was receiving their certificate on parade the following Monday. This year we will be advising parents of these students through our newsletter, so please take the time to check if your child is a recipient of an award. At this stage in the year we have no Stars or Super Stars. Many families will be unsure of our Behaviour Policy, so once I have discussed the review of the policy and the changes made, I will be sending a copy home to each family.... Some light reading before bed!!

**Giveaway** - Panasonic TV + 8 years old. Please see Denise at the school office.

**Speech Pathologist** Angela Jensen, is now running a private clinic at Mt Perry State School every Thursday.
